## SUMMARY

Maria Chen is a professional AI Engineer graduated from University of California, Berkeley with experience in Deep Learning, Machine Learning, TensorFlow, Python, PyTorch.

## EXPERIENCE

**AI Engineer Senior** | [NeuralTech Labs](#) | 2020-Present

Worked at NeuralTech Labs focusing on Deep Learning, PyTorch, Machine Learning.

**AI Engineer Intern** | [IBM](#) | 2016-2019

Worked at IBM focusing on PyTorch, Machine Learning, TensorFlow.

**AI Engineer Junior** | [Google](#) | 2018-2019

Worked at Google focusing on Deep Learning, Data Analysis, Python.

## SKILLS

Deep Learning, Machine Learning, TensorFlow, Python, PyTorch

## LANGUAGES

English (Fluent), Indonesian (Native)

## STRENGTHS

Strong Leadership: Experienced in leading and mentoring teams.

Creative Problem Solving: Utilize creative solutions to tackle challenges.

Proven track record of delivering results under pressure and meeting tight deadlines.
